RE: Two Water Main Extensions to Future 30-Lot Subdivision and Water Main Extension Through the future 30-Lot Subdivision

This is a new main extension contract between Brookside, LLC and Tatoosh Water Company. Two water mains will be extended off 15<sup>th</sup> Ave NE in Arlington, WA to a future 30-lot subdivision. There will also to a water main extension added throughout the 30-lot subdivision. At this time, no water meters will be installed, therefore no ERU's will be added. A future contract will add individual houses to the system.

Please see attached agreement, application, cost estimate, and other exhibits for a main extension of the Tatoosh Water Company. Tatoosh Water Company will obtain ownership and operation of the water main extension and related operating equipment.

Please note the application is dated in July 2021. Brookside LLC started the application process in July 2021, did not submit the agreement until December 2023.

Thank you for your attention to this matter. If there are any questions, please contact the undersigned.

Sincerely,

Patty Childers  
Water and Wastewater Services
