Subject: Waste Management – North Sound and Waste Management - Marysville, a division of Waste Management of Washington, Inc.(G-237); Tariff #19

Dear Ms. Hunter:

Enclosed herein, please find attached revised pages 2 and 6 to the above-referenced tariff. This proposed tariff change is to reflect a new 6% administrative fee to be applied to customers within the City of Monroe. On February 8, 2022, the city formally annexed the area comprised of approximately 178 acres commonly known as the Woodlands Annexation area. Including with this tariff revision is the city ordinance annexing the area and the creation of a 6% administrative fee. Customers impacted by this new fee will be notified on their first invoice after approval by the Commission.

The administrative fee took effect December 11, 2023. As such we are filing this proposed tariff revision effective March 1, 2024 to align with our billing cycles.

Very truly yours,
