Chris Guthrie , SOLID WASTE COORDINATOR

01/31/2024

Hello Jeff or Sunshine Disposal representative. This is Chris Guthrie the Solid Waste Coordinator for Ferry County. I wanted to give proper notice that Ferry County Solid Waste Dept. is raising Ferry County solid waste tipping fees from \$173.65 to \$184.50 per ton as of April, 1 2024. The reason for the increase is the cost of our hauling rates from our hauler go up between 4 and 5% each year, also staff wages have increased do the cost of living, fuel prices are more expensive, we need to replace our aging equipment, insurance prices have gone up, everything has gone up so we have to be able to operate efficiently here at the Torboy transfer station and in order to do so we have to raise our rates. Please let me know if you have any questions or concerns. Thank you so much respectfully Chris Guthrie
