This schedule is available in all Water Service Areas served by the Utility and at Utility's option and capability to maintain Department of Health's standards of quantity and quality.

**Applicable**

To any property owner who has completed and signed a Water Service Application, paid all applicable fees required for meter service connection, and had Water Service Application accepted in writing by the Utility: and for whom the Utility has installed the direct connection from the water system to the applicant's property line. This class of service is considered temporary.

**Conditions**
