Re: Basin Disposal of Yakima, LLC - G-45  
Disposal Cost Recovery Filing

On behalf of Basin Disposal of Yakima, LLC - G-45 I am filing certain revised tariff pages and other documents requesting a rate increase effective January 1, 2025. This filing is necessitated by a disposal increase at Yakima County Landfills.

If this filing is approved by the Commission, the hauler's overall revenue will increase approximately 1.81%, or \$19,600. The revenue breakdown is:

	Gross Revenue Increase	Approximate Customer Percent Change
Residential	\$5,100	1.11%
Commercial	\$6,000	1.39%
Roll-Off	\$8,500	4.54%
Total	\$19,600	1.81%

This filing is for recovery of disposal fees pursuant to RCW 81.77.160. A copy of the letter of notification from Yakima County Public Services is included with the documents being filed.

Included with this filing is an Excel workbook titled [YAK- DF Rate Calculation Jan 2025 (C).xlsx]. This workbook has rate calculations, customer counts, price-outs both current and proposed. The customer counts are from a prior General Rate Case TG-230188. Attached are revised tariff pages and supporting documentation containing the revised rates.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276 for customer notification. If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the rates will become effective on January 1, 2025. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of this change on the billing reflecting the revised rates.

Basin Disposal of Yakima, LLC is filing this as confidential pursuant to WAC 480-07-160.

A copy of this letter has been sent to Amanda McKinney, Chairman of the Yakima County Board of Commissioners.

Respectfully,

A handwritten signature in black ink, appearing to read "F. Alcala".
