Hi Anthony,

I was on the road last week and missed this-sorry for the late response. I have added a letter below as I don't have access to our company letterhead. Let me know if that will work.

March 3, 2025

I have worked closely with Anthony Clendenen and his team at Two Men and A truck in Marysville WA for a few years now. They are a pleasure to work with, are always professional in every aspect of the business, pay their bills on time, and run a successful business. I always look forward to my visits there and see with my own eyes how they treat their team members and the attention to detail they give their customers.

Anthony will be missed by all in the industry and is leaving a great company culture behind.

Hi Chad,

Absolutely, here is my statement:

I have had the pleasure of working with the incredible team at the Marysville Two Men and a Truck location since the fall of 2021, and I cannot recommend them highly enough. From the very first call to schedule a move with Giana or Mary to receiving a seamless invoice from Chad, every step of the process has been efficient, professional, and stress-free.

Their ability to adapt to last-minute changes—whether it’s a shift in location or unexpected furniture additions—is truly impressive. Riley, in particular, always goes above and beyond to accommodate these adjustments with grace and efficiency. The moving crew, including Mel, Payton, Alder, Lyle, and many other dedicated team members, consistently arrives prepared, professional, and ready to roll out the red carpet—literally! Their attention to detail and respect for the individuals we serve is unmatched.

What sets this team apart is their reliability and consistency. Out of all the moving companies I’ve worked with, Two Men and a Truck stands out because I often see the same familiar, friendly faces at each appointment, which speaks volumes about their team’s dedication and experience. Even on short notice, they always deliver exceptional service without hesitation.

I frequently recommend Two Men and a Truck in Marysville to friends and family looking for trusted local movers, and I look forward to working with them again. Knowing my next move will be handled with precision, care, and professionalism gives me complete peace of mind.

All the best,

Good morning Anthony,

My apologies for not responding last week. I would be happy to share my experiences with Two Men and a Truck:

*I am a realtor with Windermere Real Estate here on Camano Island and in Stanwood. I work with both buyers and sellers and when the need for a moving company arises, I recommend Two Men and a Truck as they have a great reputation in our small community. I had several clients who have used their services for local moves from Seattle, Marysville and Burlington. I have also had a client use them to move from Camano Island to Seattle. It is important to me when referring clients that the company I refer to can take care of them and treat them how I treat my clients... with respect, honesty and integrity. I'm proud to have Two Men and a Truck as my moving company referral as I know they will get the job done while being professional during the service period. Please feel free to give me a call with any questions. Thank you, Kevin Flynn - Windermere*

Please let me know if you need anything else. Thank you!

Sincerely,

**KEVIN FLYNN**
