Dear Mr. Killip:

Attached please find revised pages for Tariff Number 15, for Mason County Garbage Co., Inc. G-88.

Our Company has a customer that is requesting a 30 Yard Box Service. This filing adds the rates to the Tariff so that the Company may provide the requested service to the customer.

The last general rate increase approved by The Commission for Mason County Garbage Co., Inc. became effective September 1, 2024.

Attached are the proposed tariff pages containing the increased rates, as well as supporting documentation for those changes. If these rates are approved by the Washington Utilities and Transportation Commission they are intended to become effective on November 1, 2025.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276 for customer notification. If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the rates will become effective on November 1, 2025. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of this change on the billing reflecting the revised rates.
