RE: Electrical Make-Safe Demo and Equipment Relocation – Electrical Budget

We are pleased to provide you this total base budget in the sum of \$88,400.00
This pricing is based on knowledge of systems to demo, relocate and/or save as of this date.

Note: Please reference the attached list of equipment specifying which are to demo, relocate and/or save.

A. Electrical Make-Safe for Demo Sub-Total \$47,300.00

1. Identification and Lock/Tag-Out of applicable feeder and branch circuit breakers and/or disconnects
2. “Green” color-code tagging of equipment and select groups of conduit slated for demolition
3. Disconnection of feeder and branch circuits at a minimum 2’ air gap from equipment
4. Rework of necessary branch circuits and devices affected by equipment demolition

B. Relocate & Save Electrical Systems Sub-Total \$33,200.00

5. Identification and Lock/Tag-Out of applicable feeder and branch circuit breakers and/or disconnects
6. “Red” color-code tagging of equipment and select groups of conduit intended to remain
7. Labor and materials for both temporary and permanent equipment wiring
8. Redline Record Drawing update

C. Tag Equipment to Save Sub-Total \$7,900.00

9. Identification and documentation of applicable feeder and branch circuit breakers
10. “Red” color-code tagging of equipment and select groups of conduit intended to remain
11. Redline Record Drawing update

D. Miscellaneous Included in Items Above:

12. Site survey and coordination
13. Safety LO/TO training, protocols and documentation
14. Rental costs for articulated personnel lifts
15. L&I Electrical Permit

Excludes:

- Existing Electrical Code Violations
- Lo-Vo Cabling – V/D, CATV, CA, CCTV
- Disposal
- Demo of abandoned conduits
- Overtime or off-hour work
- Washington State Sales Tax

If you have any questions or need clarification, please feel free to call me at the office 425-454-3665

Sincerely,
Gene Quenneville
