 COMMISSION

Dear Ms. Maxwell:

Enclosed please find proposed tariff No. 11 of Rabanco Ltd., Certificate G-12 (DBA Eastside Disposal), the purpose of which is a general rate increase request. It has been more than a year since our last general increase on these rates and in that time, we have experienced inflationary pressures on key operating costs and made investments in strategic operating assets. If approved by the Commission, the overall revenue requirement increase reflected in this filing would approximate 6.04% or \$429,844.

The proposed rates impact services provided as follows:

	<u>% Revenue Change</u>	<u>\$ Revenue Change</u>	<u>Estimated Rate Impacts</u>
Garbage:	+8.54%	\$ 363,819	8% to 9%
Recycling:	+5.8%	\$ 88,614	5% to 6%
Yardwaste:	-8.23%	-\$ 93,929	-9% to -8%
Multi-Family Recycling:	+38.67%	\$ 71,090	6% to 60%

As required by Commission rules, a copy of this transmittal letter will be mailed to King County which is impacted by this filing. Customer notification letters will be mailed on or before April 1, 2023. We will file a final copy of the customer notices with your office prior to or at the same time as the mailing.

If you have any questions, please do not hesitate to contact me.
