RE: Docket No. UT-030388

Dear Ms. Washburn:

Attached are the January payments for the Performance Assurance Plan ("PAP") based upon November 2003 performance. In addition to the November Performance, Qwest re-ran the PAP for January – October for the following reason,

- 1) Qwest inadvertently paid CLECs & States for line splitting performance and EEL performance.
- 2) Summary of Changes for Washington (for detailed information see page 3 of attached spreadsheet).
 - CLECs in Washington were over paid in previous months by \$3201 in Tier 1 Payments
 - State of Washington was overpaid in previous months by \$4800
- 3) All payments, November performance results and January – October rerun results are summarized in pages 1 & 2 of the attached spreadsheet

Sincerely,

Attachment
