Pursuant to Order No. 2, AT&T Communications of the Pacific Northwest, Inc. AT&T Local Services on behalf of TCG Seattle and TCG Oregon (collectively "AT&T") hereby submit comments on whether any issues raised in this proceeding should be addressed in Docket No. UT-011219.

Consistent with its March 18, 2004 letter filed in this docket, AT&T's position is that Triennial Review Order specific issues should not be addressed in this docket. AT&T believes that Verizon's model interconnection agreement proceeding in Docket No. UT-011219 is a more appropriate forum for addressing all Verizon Triennial Review Order arbitration issues.

Respectfully submitted this 25<sup>th</sup> day of March 2004.
