RE: Preferred Long Distance, Inc. 47 C.F.R. §51.911(c) Compliance Notification

Dear Mr. Danner:

Preferred Long Distance, Inc. ("Preferred") provides this courtesy notification of its current compliance with the Federal Communications Commission's ("FCC") Report and Order and Further Notice of Proposed Rulemaking, in Docket Nos. WC Docket No. 10-90, et al., FCC 11-161 (the "*USF/ICC Transformation Order*") and Section 51.911, 47 C.F.R. §51.911, July 1, 2013 interstate switched access rate benchmarking compliance requirements.

In pertinent part, Section 51.911(c) of the FCC's rules, Access reciprocal compensation rates for competitive LECs, promulgated under the *USF/ICC Transformation Order*, establishes that

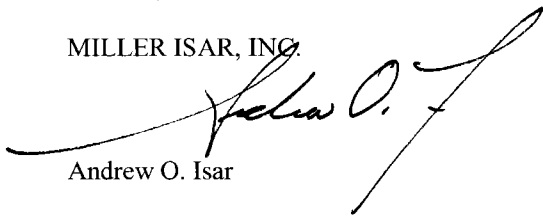

Beginning July 1, 2013, notwithstanding any other provision of the Commission's rules, all Competitive Local Exchange Carrier Access Reciprocal Compensation rates for switched exchange access services subject to this subpart shall be no higher than the Access Reciprocal Compensation rates charged by the competing incumbent local exchange carrier, in accordance with the same procedures specified in §61.26 of this chapter.

Effective July 1, 2013, Preferred is setting its Washington intrastate switched exchange access terminating rates at parity with its interstate switched exchange access terminating rates as set forth in the Company's F.C.C. Tariff No. 1. These rates mirror corresponding Qwest Corporation ("Qwest" nka CenturyLink) rates contained at Section 6 of Qwest's Tariff F.C.C. No.1.

Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
