RE: UT 121610, Boomerang Wireless, LLC d/b/a enTouch Wireless –Annual Audit of Washington Lifeline Customer Records

Dear Secretary,

Pursuant to Order 1 in Docket No.UT-121610, Boomerang Wireless, LLC d/b/a enTouch Wireless (Boomerang) shall have the Washington State Department of Social and Health Services (DSHS) audit its Washington Lifeline customers' eligibility at least once a year. Boomerang is required to provide DSHS with its complete Washington Lifeline customer records from the prior calendar year. **This condition was required until the National Lifeline Accountability Database (NLAD) for duplicate claims and Lifeline eligibility were fully functional.**

Boomerang is using the NLAD database for all of its Washington customers and therefore, will not need to submit a list of those customers to DSHS for auditing purposes as NLAD is providing the necessary information for eligibility as well as preventing duplicate claims.

Please let me know if you have any questions. I can be reached at jbalvanz@readywireless.com.

Sincerely,
