Re: Withdrawal of Preproposal Statement of Inquiry
WUTC Docket U-131087

Dear Ms. Radcliff:

The Washington Utilities and Transportation Commission (Commission) filed a Preproposal Statement of Inquiry (CR-101) to consider whether changes to WAC 480-100-128(6)(k) and WAC 480-90-128(6)(k), which state that utility company representatives dispatched to disconnect service must accept payment to prevent disconnection, are warranted. The Commission filed the CR-101 on June 28, 2013, at WSR # 13-14-060.

After considering comments from interested persons concerning the CR-101, the Commission has decided not to proceed with this rulemaking proceeding and requests that the CR-101 published in WSR # 13-14-060 be withdrawn. Thus, the Commission is withdrawing its notice of a rulemaking proceeding in this docket, and will notify stakeholders of the withdrawal of this proceeding.

Sincerely,

STEVEN V. KING
Executive Director and Secretary
