1. WAC 480-123-130(1)(a) - Access Lines Served

	January 1, 2017	December 31, 2017
Residential	<u>2098</u>	<u>1987</u>
Business	<u>451</u>	<u>460</u>

2. WAC 480-123-130(1)(b) - Use of Support

The funds received by the Company from the universal communications services program in calendar year 2017 represents monies that the Company formerly received through the Washington Exchange Carrier Association (WECA) pooling process and the reduction of support under the Federal Communications Commission's (FCC's) Connect America Fund InterCarrier Compensation Fund (CAF ICC) program. As such, the funds from the universal communications services program contributed to the ongoing operation and maintenance expenses of the Company. The funds from the universal communications services program are contributing to the Company's ongoing provision of high-quality basic telecommunications service to customers residing in the area the Company serves.

In December 2017, the Company received \$269,243 from the universal communications services program for the fiscal year ending June 30, 2018 which represents monies that the Company formerly received through the WECA pooling process and the reduction of support under the FCC's CAF ICC Program.

During the first six months of 2018 the Company completed the following projects:

- (1) The Company installed exchange line circuit equipment and fiber optic transport at a cost of approximately \$31,500. This project will provide VDSL2 service or ADSL2+ service to 12 customers. This project will improve broadband speeds, increase data capacity and provide growth capacity in the area served.

- (2) The Company installed exchange line circuit equipment and fiber optic transport at a cost of approximately \$97,700. This project will provide VDSL2 service or ADSL2+ service to 48 customers. This project will improve broadband speeds, increase data capacity and provide growth capacity in the area served.

In the second half of 2018 the Company plans to complete the following projects:

3. WAC 480-123-130(1)(c) - Unfilled Consumer Requests for New Basic Telecommunications Service*

None

* Service requests that are ongoing but still within normal processing times are not counted as unfulfilled.

4. WAC 480-123-130(1)(e) - FCC Form 477

This form was previously filed on or about February 8, 2018 under Docket UT-180002.

5. WAC 480-123-130(1)(f) - Report on Operational Efficiencies/Business Plan Modifications

The Company continually reviews its operations to determine if efficiencies can be achieved. The Company already has a plan in place to concentrate on improving broadband service while continuing to provide high-quality basic telecommunications service to the customers that are located within the area that the Company serves. The funds received from the universal communications services program can be viewed as assisting in the Company's efforts to obtain operational efficiencies.

6. WAC 480-123-130(1)(g) and (h) - Other information

Not Applicable

Certified Statement as required by WAC 480-123-130(1)(d):

I, Steve Hanson, am an officer of Tenino Telephone Company, and upon personal knowledge and with responsibility therefor, hereby certify under penalty of perjury, that Tenino Telephone Company materially complied with Commission rules under Chapter 480-120 WAC that are applicable to the Company and its provision of service within the area for which the Company received universal communications services program support.

Signed at Tenino, Washington this 26th day of June, 2018.
