Senior Administrative Law Judge
Office of Administrative Hearings

Post Office Box 42489

Dear Ms. Haenle:

The Commission requests that the Office of Administrative Hearings return to it the file in Application No. D-75275.

The Commission understands that protestant Evergreen Trails has filed a motion for continuance and stay, pending a ruling on its petition for rehearing in Docket No. TC-900407. The Commission understands also that the continuance has been granted and that there are no hearings presently scheduled. Simultaneously with its petition for stay, Evergreen filed the petition for rehearing. The Commission has taken the petition under advisement.

The Commission believes that the proceedings and the rulings are interrelated, and that the Commission should consider together the request for rehearing and the request for the stay. Therefore, it requests that the Office of Administrative Hearings return the file to the Commission, including any parties' responses to the request for the stay.

Sincerely,

Paul Curl
Secretary
