Response by Andy Williams 2/14/06

Douglas and Jessica Rupp

VERIZON DATA REQUEST NO. 16: During the time you have lived in the Skyko 2 area, have you used any cellular phones, satellite phones, radio telephones, personal data assistants (e.g., Blackberry, TREO, Palmpilot), laptop computers, or desktop computers? If so, please describe what device(s) you have or had and how you use(d) it or them.

Douglas has a cell phone for business use.

Jessica has a cell phone for personal use.

Formerly we had a satellite phone for business and personal use.

Formerly we had a radio-telephone for business and personal use.

Jessica has a PDA for personal use.

Douglas has a laptop for business use (our main residence has an internal Wi-Fi network)

Douglas has several rack mount and desktop computers for business use.

Response by Douglas Rupp 2/22/06

Chris Portrey and Sam Haverkemp

VERIZON DATA REQUEST NO. 16: During the time you have lived in the Skyko 2 area, have you used any cellular phones, satellite phones, radio telephones, personal data assistants (e.g., Blackberry, TREO, Palmpilot), laptop computers, or desktop computers? If so, please describe what device(s) you have or had and how you use(d) it or them.

I have a cellular phone through Cingular which does not function in Skyko 2.

My work provides me a Nextel phone which does not function in Skyko 2.

I own several personal computers and have used them for personal entertainment at Skyko 2.
