**NOTICE CANCELLING PREHEARING CONFERENCE  
(Set for November 3, 2008)**

RE: *Washington Utilities and Transportation Commission vs. AVISTA  
CORPORATION d/b/a AVISTA UTILITIES.* Dockets UE-080416/UG-080417

TO ALL PARTIES OF RECORD:

On October 8, 2008, the Washington Utilities and Transportation Commission (Commission) entered Order 06, Prehearing Conference Order, establishing a procedural schedule including a prehearing conference on November 3, 2008. Having already addressed the following procedural matters: (1) receiving and marking cross-examination exhibits; (2) considering the admission of the prefiled testimony and exhibits of all parties; and (3) obtaining witness' order of appearance, and cross-examination estimates from all parties, and having no party request that other procedural matters be considered during the prehearing conference, the prehearing conference should be cancelled. The Commission concludes that cancelling the prehearing conference will conserve Commission and party time and resources that could be better expended in preparation for the evidentiary hearing.

**NOTICE IS HEREBY GIVEN That the prehearing conference scheduled to convene on November 3, 2008, is cancelled.**

Sincerely,

PATRICIA CLARK  
Administrative Law Judge
