Re: Docket No. UE-121373: Request of Puget Sound Energy, Inc. for Clarification of a Final Order by Conference Pursuant to WAC 480-07-840

Dear Mr. Danner:

Puget Sound Energy, Inc. (“PSE”) in the process of reviewing the terms of the Commission’s final order in Docket No. UE-121373. PSE has concerns that the reporting requirements as set forth in the order may impose undue risk or costs to PSE. PSE also has questions about the Commission’s decision regarding deferral of costs.

In order to provide a forum to discuss these and any other concerns a party to the proceeding may have, PSE respectfully requests that the Commission convene a conference under WAC 480-07-840 at its earliest possible convenience.

PSE notes that the deadline for petitions for reconsideration of the Commission’s order is January 22, 2013. PSE asks that the Commission schedule a conference early enough that parties may have sufficient time to prepare petitions for reconsideration if they deem them necessary.
