**RE: DO NOT REDOCKET—Docket UE-230172, et al  
PacifiCorp’s Compliance Filing—Order 08/06  
Revisions to PacifiCorp’s General Tariffs—Rate Year 2**

In accordance with RCW 80.28.060, WAC 480-07-880, and WAC Chapter 480-80 et. seq., PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp or Company) submits the following revised tariff sheets for Rate Year 2, in compliance with the Washington Utilities and Transportation Commission’s Order 08/06 in Dockets UE-230172 and UE-210852 (*Consolidated*).

Enclosed are copies of the following revised tariff sheets:

Fourth Revision of Sheet No. 15.1	Schedule 15	Outdoor Area Lighting Service
Fourth Revision of Sheet No. 16.1	Schedule 16	Residential Service
Fifth Revision of Sheet No. 17.1	Schedule 17	Low Income Bill Assistance Program – Residential Service Optional for Qualifying Customers
Fifth Revision of Sheet No. 19.1	Schedule 19	Residential Service – Time of Use Pilot
Second Revision of Sheet No. 24.1	Schedule 24	Small General Service
Fifth Revision of Sheet No. 24.2	Schedule 24	Small General Service
Fourth Revision of Sheet No. 29.1	Schedule 29	Non-Residential Time of Use Pilot
Second Revision of Sheet No. 36.1	Schedule 36	Large General Service – Less Than 1,000 kW
Fourth Revision of Sheet No. 36.2	Schedule 36	Large General Service – Less Than 1,000 kW
Fifth Revision of Sheet No. 40.1	Schedule 40	Agricultural Pumping Service

Fourth Revision of Sheet No. 48T.1	Schedule 48T	Large General Service – Metered Time of Use 1,000 kW and Over
Fifth Revision of Sheet No. 51.1	Schedule 51	Street Lighting Service – Company-Owned System
Fifth Revision of Sheet No. 53.1	Schedule 53	Street Lighting Service – Customer-Owned System
Fourth Revision of Sheet No. 54.1	Schedule 54	Recreational Field Lighting – Restricted
Third Revision of Sheet No. 92.1	Schedule 92	Temporary Coal Cost Adjustment

The Commission's Order 08/06 authorized a revenue requirement increase of \$21.1 million to the Company's base rates for Rate Year 2, subject to a revision to modify the net power cost (NPC) forecast. Consistent with the Order, the Company has updated the net power cost forecast, and this results in a revised revenue requirement increase of \$15.8 million. The proposed tariff sheets support the updated revenue requirement increase, including an update to Schedule 92, Temporary Coal Cost Adjustment, which is a tracker established in the Settlement Stipulation for recovery of non-NPC costs associated with coal-fired facilities. In compliance with Washington law, all coal-resource expenses and capital recovery will be removed from rates, which will lower the recovery of Schedule 92 to decommissioning costs offset by the amortization of deferred fly-ash revenues. In April of 2026, once the deferred fly ash revenues are fully amortized, another compliance filing will need to be submitted to remove those revenues from Schedule 92.

Enclosed as Attachment B is the estimated effect of the price changes, including billing determinants and monthly billing comparisons. The average residential customer using 1,200 kWh per month will see an increase of \$5.94 per month. Attachment E provides an updated calculation of the Low-Income Bill Assistance discount.

Please direct questions to Ariel Son, Regulatory Affairs Manager, at (503) 813-5410.

Sincerely,

*/s/ Robert Meredith*
