**REQUEST FOR CLARIFICATION OF SERVICE LIST  
AND FORM OF SERVICE  
(Responses due on Wednesday, August 25, 2004, by Noon)**

RE: *WUTC v. Advanced Telecom Group, Inc., et al.*;  
Docket No. UT-033011

TO PARTIES OF RECORD:

Since the Amended Complaint in this proceeding was served on August 15, 2004, the Commission has dismissed all allegations against or approved settlement agreements with a number of the respondents named in the Amended Complaint. Those parties with approved settlement agreements, or against whom all allegations have been dismissed, include Allegiance, ATG, Covad, Electric Lightwave, Fairpoint, Global Crossing, Integra, MCI, and XO. Eschelon and Staff filed a settlement agreement with the Commission on August 12, 2004.

There are a substantial number of parties and interested persons on the Commission's service list in this proceeding. The Commission seeks to reduce the burden on the Commission and remaining parties to serve paper copies of testimony, pleadings, and other materials on parties with approved settlement agreements, or against whom all allegations have been dismissed. In order to reduce this burden, the Commission seeks clarification from the parties concerning whether they wish to remain on the service list, and if so, whether they wish to receive service of notices, orders, and parties' pleadings in only an electronic format.

**The Commission requests settling or dismissed parties to inform the Commission by Noon on Wednesday, August 25, 2004, whether they wish to remain on the service list in this proceeding, and if so, whether they wish to receive only electronic copies of notices and orders from the Commission and pleadings from the remaining parties to the proceeding.** Given the shortened time for responses, parties may submit responses with the Commission electronically or via facsimile pursuant to WAC 480-07-145(6) and file paper copies the next business day.

Sincerely,

ANN E. RENDAHL  
Administrative Law Judge
