

BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

**Docket U-180680
Sale of Non-Controlling Interest in Puget Holdings LLC**

BENCH REQUEST NO. 001

BENCH REQUEST NO. 001

In testimony filed in support of the Settlement, the Settling Parties explained that many of the commitments agreed to by the Joint Applicants are identical to, or reaffirm, commitments previously made in Docket U-072375. Using the list of 65 commitments set forth in the Settlement, please identify separately which commitments have been carried forward unchanged from those approved in Docket U-072375 and which commitments are new or have been modified. For those commitments that have been modified, please identify the modifications using tracked changes.

Response:

Attached as Attachment A to the Joint Applicants' Response to Bench Request No. 001 is a matrix listing the 65 commitments proposed by the Settling Parties in support of the Settlement Stipulation in Docket U-180680. Where the proposed commitments in Docket U-180680 contain modifications or changes to the commitments in Docket U-072375, those modifications are shown in tracked changes, as requested. Because the proposed commitments have been reorganized, the matrix also shows the prior commitment number from Docket U-072375, where applicable.

The updated commitments incorporate conditions the Commission imposed in Order 08 in Docket U-072375, where applicable. Language in the proposed commitments that reflect the Commission conditions imposed in Docket U-072375 are shown in green text, all other modifications to the original commitments from Docket U-072375 are shown in blue text, and all deletions are shown in red. Where a Commission condition referred to a commitment's number, that number has been updated.
