[REDACTED]

[END COMPANY-CONFIDENTIAL]

SHADED INFORMATION DESIGNATED AS
COMPANY CONFIDENTIAL PER PROTECTIVE
ORDER IN WUTC DOCKET UE-190882

Response:

- a) After reviewing the document referenced in Public Counsel Data Request No. 341, Puget Sound Energy (“PSE”) is confused by the request and cannot find the reference in the documents cited. However, to clarify, PSE supports Pacific Power’s position articulated by Charles L. Tack that PM CEMS and other alternate indicators accurately portrayed PM levels in Q1 2018.
- b) PSE agrees with Mr. Tack’s testimony.
