Dear Mr. King:

Puget Sound Energy ("PSE") submits for filing its Petition for Waiver of WAC 480-109-200(3) in the above-referenced docket.

In Order 01, the Washington Utilities and Transportation Commission wrote that PSE should file a waiver of the WREGIS registration requirement in WAC 480-109-200(3) for its incremental hydro production for any generation prior to the second quarter of 2016. The attached petition requests a waiver for calendar year 2015. A petition for January through March, 2016 will be filed at a later date in PSE's 2016 RPS docket.

PSE's 2015 Final Compliance Report is being submitted concurrent with this filing.

Please contact Katherine Barnard at 425-462-3716 for additional information about this filing. If you have any other questions please contact me at (425) 456-2110.

Sincerely,

*/s/ Kenneth S. Johnson*
