RE: Docket UE-210829—PacifiCorp’s Revised Petition for Exemption of WAC 480-100-650(4)(a)(i)

PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp) respectfully submits this Revised Petition for Exemption of WAC 480-100-650(4)(a)(i) for the Washington Utilities and Transportation Commission’s consideration. As discussed in the Revised Petition, an exemption is necessary given the Company’s technological inability to report hourly Washington retail sales with current metering equipment. This Revised Petition does not include argument II(B) from the initial petition, regarding the technological capabilities of Puget Sound Energy and Avista to report hourly retail sales information, as that representation was incorrect.
