3 The administrative rules at issue are WAC § 480-07-340, -355.

4 AWEC is an incorporated, non-profit association of large energy consumers in the Pacific Northwest. AWEC represents some of Pacific Power & Light Company's ("Pacific Power" or the "Company") largest customers in Washington.

5 On July 1, 2021, Pacific Power filed its Limited Issue Rate Filing ("LIRF") as part of the prudency review of the Company's major capital additions included in its 2021 general rate case. Any Commission determination on the Company's LIRF will substantially and directly affect those of AWEC's members who purchase electricity from Pacific Power. AWEC therefore requests leave to intervene in this docket to represent and take positions on behalf of its members who are affected by any change to Pacific Power's rates and programs.

6

AWEC’s representatives have extensive experience in proceedings before the Commission involving Pacific Power, including participation in the Company’s last general rate case, UE-191024, and in many prior Company rate proceedings over the past decades. AWEC is also a regular party to other Commission proceedings affecting each of the electric and natural gas utilities the Commission regulates. AWEC’s intervention in this proceeding will assist the Commission in resolving issues and will not unreasonably broaden the issues, burden the record, or delay this proceeding.

7

As described above, AWEC has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and AWEC may be affected by any Commission determination connected with this proceeding. Thus, it is in the public interest to allow AWEC to intervene in this proceeding.

8

WHEREFORE, AWEC respectfully petitions the Commission for leave to intervene in this proceeding.

Dated this 2nd day of August, 2021.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
