NOTICE MODIFYING PROCEDURAL SCHEDULE

RE: *Washington Utilities and Transportation Commission v. Murrey's Disposal Company*,
Docket TG-230778

TO ALL PARTIES:

On October 4, 2023, Murrey's Disposal Company, Inc. d/b/a Olympic Disposal (Olympic or Company) filed with the Washington Utilities and Transportation Commission (Commission) tariff revisions that would generate approximately \$1,885,000 (15.9 percent) in additional annual revenue. Olympic provides regulated solid waste collection service to approximately 15,500 residential customers; 1,900 commercial customers; 117 roll-off; and 6,040 residential recycling customers in Clallam and Jefferson Counties. The Company's last general rate increase became effective on June 1, 2011.

On February 5, 2024, the Commission issued Order 02 Prehearing Conference Order and Notice of Hybrid Hearing (Order 02) which established a procedural schedule in this matter.

On June 24, 2024, the counsel for the Company contacted the presiding officer requesting a continuance to file exhibit lists, cross-examination exhibits, time estimates, and exhibit errata, and indicated their agreement to setting a new deadline of August 15, 2024, for these filings. The Commission finds good cause to modify the procedural schedule adopted in Order 02 as set forth in Appendix A to this Notice.

THE COMMISSION GIVES NOTICE That the parties' request for a continuance to file exhibit lists, cross-examination exhibits, time estimates, and exhibit errata is granted to allow the parties to file the documents on August 15, 2024, and modifies the procedural schedule.
