RE: Docket No. UT-043023

Dear Mr. Nussbaum:

The Commission Staff requests that your company complete the filing in the above docket. A complete filing conforms to Commission rule WAC 480-07-640 and includes a copy of the Qwest Platform Plus Master Services Agreement (QPP).

The Commission addressed the issue of the need to file a complete interconnection agreement for review, and whether the QPP is part of an interconnection agreement that must be filed. In a decision on October 13, 2004, the Commission adopted the following:

In Docket No. UT-960310 and Docket No. UT-043084, approve the request of MCImetro Access Transmission Services, LLC, (MCImetro) for approval of the Thirteenth Amendment to the interconnection agreement between MCImetro and Qwest, including approval of the Qwest Platform Plus - Master Services Agreement (QPP).

The Commission is expected to issue soon a written order in these dockets.
