REGARDING: Docket # TR-021465

I am requesting to be noted as an interested person, as a matter of public record and would like to be notified of any and all public meetings, in a timely fashion as to be a person considered to present public witness in writing on the matter regarding Docket # TR-021465. I would respectfully encourage the Commission to codify Federal Railroad Administration recommendations into state regulation. I fully support the hearing process that would allow all stakeholders being permitted the opportunity to present their comments to the commission. I am a Council Member from Spokane, representing District Three, and would like to see this matter fully satisfied in the interest of public safety for all citizens of Spokane.

Sincerely,

Cherie Rodgers
