RE: *Washington Utilities and Transportation Commission v. Professional Transportation, Inc.*
(Consolidated) Dockets TE-144101 & TE-160231 – **ORDER 01 and ORDER 02**

Dear Judge Pearson,

Pursuant to the above referenced Consolidated Orders dated June 8, 2016, please find enclosed the penalty payment due from Professional Transportation, Inc. in the amount of \$85,450.00.

We appreciate the commission's leniency in this matter and recognition of our ongoing efforts to become 100% compliant with the regulations. We will be reaching out to the staff as they offered following the hearing for guidance around our new processes and procedures that we have put in to place. In addition, we are preparing to perform an internal audit to ensure complete closure of the identified gaps, and would appreciate their guidance to our internal auditor. Thank you in advance for their assistance.

Please let me know if you should require anything additional regarding this matter from either myself or PTI.

Sincerely,
