Applicant is working with customers with contracts for the affected services to transition them to alternative services after their contracts expire.

3. Points of Geographic Areas of Service Affected

Also, on July 7, 2020, Applicant sent copies of this Application via electronic mail or First Class Mail to the public utility commission and to the Governor of each affected state, federally- recognized tribal nations in each state, the Commonwealth of Puerto Rico, and the Secretary of Defense, Attention Special Assistant for Telecommunications, as required by Section 63.71(a) of the Commission's rules.

6. Whether the Carrier is Considered Dominant or Non-dominant with Respect to the Service to be Discontinued

Migration Strategy

System Expansion post-End of Sale

New system sales will end on 09-30-2020. Although Zang Office is being discontinued, existing contracts remain unchanged, can continue to be expanded, and continue to be entitled for Avaya support through the contract term, giving Zang Office customers time to make any necessary transitions.

Migration Strategy

Avaya is offering the Avaya Cloud Office solution in the US and Canada with additional country roll-outs anticipated throughout 2020.

The Avaya Cloud Office offer comes with special benefits for Partners as part of the existing Avaya Edge program and it is Avaya's intention to offer migration programs for existing Zang Office customers to smooth their transition to Avaya Cloud Office.

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you

may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of Avaya Cloud Inc. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

More information on Avaya Cloud Office migration tools and programs will be provided as part of the Avaya Cloud Office launch process.

Service and Warranty

Avaya will continue to honor previously executed enhanced warranty, post-warranty and service contracts in accordance with the terms of those agreements. Avaya is not responsible for any support or maintenance commitments made by Business Partners or other service providers.
