To: All Concerned

Rocket submits the enclosed modification for the previously submitted proposal to Increase Door to Door Operating Authority into Poulsbo as reviewed in TC-230062. Do not Re-Docket.

Rocket desires to provide Door to Door service to Kitsap County, north of SR 308. Rocket intends for all of this area to be in the BASE fare zone.

For the submitted Tariff 4 replacing Tariff 3, it is composed of new Page 1 and Page 9 for the Authority Change in this filing. Pages 2 through 7 were brought directly from TC-230178 with a slight language change in Section 19 as it had mentioned Poulsbo and this now clarifies the new area as North Kitsap. Page 8 is the updated Flex Fare Rates from TC-230416.

To comment regarding this submission, please contact the Utilities and Transportation Commission. This contact may be in person, by telephone, or via the internet. This contact information is current as of submission, but may change.
