Re: Docket UE-210804: Developing a Commission jurisdictional specific cost-effectiveness test for distributed energy resources incorporating CETA

Dear Ms. Maxwell:

Puget Sound Energy (“PSE”) respectfully submits the Policy Inventory and DER Impacts template in response to the Washington Utilities and Transportation Commission’s (“Commission”) July 5, 2022 Notice of Opportunity to File Written Comments (“Notice”) in the above-captioned docket. The Notice solicits information on policies relevant to PSE’s evaluation of distributed energy resources (“DERs”) and its practices for considering the impacts of those policies when determining cost effectiveness.

PSE appreciates this opportunity to comment on this matter and the Commission’s efforts to collect and analyze this data to inform this rulemaking.

Please contact Jessica Zahnow at (971) 200-6026 for additional information about this filing. If you have any other questions, please contact me at (425) 456-2142.

Sincerely,

/s/ Jon Piliaris
