Re: **Docket UE-230287 (Advice No. 2023-18)**  
**Puget Sound Energy - Electric Tariff Revision - Do Not Redocket**

Dear Ms. Maxwell:

Puget Sound Energy (“PSE”) hereby submits in connection with Docket UE-230287 the following revised tariff sheet as a substitution for the tariff sheet that accompanied its first substitution filing dated May 12, 2023, submitted under Docket UE-230287.

WN U-60, Tariff G - (Electric Tariff):

Original	Sheet No. 557	Electric Vehicle Technology Demonstration
----------	---------------	---

The purpose of this second substitute filing is to incorporate revisions to Schedule 557 proposed by the Washington Utilities and Transportation Commission (“UTC”) at the UTC open meeting on June 15, 2023. The revised Schedule 557 language requires PSE to consult with the UTC staff while PSE conducts its limited-scale electric vehicle technology demonstration projects in order to evaluate innovative transportation electrification technologies or processes.

The tariff sheets described herein reflect an issue date of April 20, 2023, and an effective date of June 16, 2023. Posting of proposed tariff changes, as required by law and the Commission’s rules and regulations, is being completed through web, telephone, and mail access in accordance with WAC 480-100-193. Notice to the public is published under the provisions of WAC 480-100-195(3), which allows a utility that proposes tariff changes, terms, or conditions without restricting access to the service to post the proposed changes in the manner it posts tariffs under WAC 480-100-193.

Ms. Amanda Maxwell
