

Exhibit DTA-13
*PSE Response to IBEW Data Request No. 014 (Damage
Assessor Training)*

TESTIMONY OF

D. Timothy Arnold

In Opposition to the Multiparty Settlement Stipulation on Behalf of IBEW 77

Damage Assessors receive annual training and/or are assessed on overhead line, pole, and devices.

Damage Assessors receive annual training on field safety.

Damage Assessors understand the required PPE expectations, and employees can order that PPE from the MatCat.

Annually, Damage Assessors electronically acknowledge the Field Safety Code.

Operational Training provides a list of employees who have completed training/certification to Mary Hobday, who maintains the Master Call Out List.

Damage Assessor Field Safety Code

1. Stay in vehicle whenever possible
 - a. Use common sense
 - b. If the car will not make it up a hill
 - c. Debris in the roadway
2. Drive only on paved/graveled roadways/driveways
3. Do not exit vehicle without wearing the following Personal Protective Equipment:
