**NOTICE EXTENDING TIME TO SUPPLEMENT ANSWER
(February 8, 2002, at 4:30 p.m.)**

RE: Tel West Communications, LLC, Petitioner, v. Qwest Corporation, Respondent..
Docket No. UT-013097

TO THE PARTIES:

The Second Supplemental Order served on January 31, 2002, denied Qwest Corporation's motion to strike allegations contained in Tel West Communications' Amended Petition. Qwest's request to further respond to the allegations objected to in its motion to strike was granted, and Qwest was required to file its amended answer on or before Thursday, February 7, 2002, at noon.

The deadline for Qwest to file its amended answer conflicts with a previously scheduled event to be attended by lawyers appearing before the Commission. Tel West does not object to an extension of time for Qwest to file its amended answer on the condition that Tel West be given an opportunity to supplement any testimony that is prefiled prior to service of the amended answer. Good cause exists to extend the date for Qwest to file and serve its amended answer. Tel West will be given a reasonable opportunity to file supplemental testimony, if necessary.

The date and time for Qwest to file and serve its amended answer further responding to the allegations objected to in its motion to strike is extended from Thursday, February 7, 2002, at noon, to Friday, February 8, 2002, at 4:30 p.m.

Sincerely,

CAROLE J. WASHBURN
Secretary
