NOTICE OF WITHDRAWAL OF RULEMAKING

Re: Rulemaking to determine whether changes to WAC 480-90-128(6)(k) and WAC 480-100-128(6)(k) are warranted, Docket U-131087

TO ALL INTERESTED PERSONS:

On June 28, 2013, the Washington Utilities and Transportation Commission (Commission) filed with the Code Reviser at WSR 13-14-060 a Preproposal Statement of Inquiry (CR-101) to consider whether changes to WAC 480-100-128(6)(k) and WAC 480-90-128(6)(k), which state that utility company representatives dispatched to disconnect service must accept payment to prevent disconnection, are warranted.

The Commission appreciates the stakeholders' participation and comment in this rulemaking inquiry. The Commission has determined, however, that a rule change is not warranted at this time. Thus, the Commission is withdrawing its notice of a rulemaking proceeding in this docket. The Commission has notified the Office of the Code Reviser of the withdrawal by letter dated October 17, 2013.
