Subject: TR-210227 – Nippon Dynawave Packaging Company, LLC
Completion of Grade Crossing Protective Fund (GCPF) Project
Gate 10 Crossing Rehabilitation USDOT 974352V

On Jan. 13, 2022, the Washington Utilities and Transportation Commission (UTC) awarded a GCPF grant totaling \$10,000 to Nippon Dynawave to partially fund a project to rehabilitate its private grade crossing at the entrance to its complex, known as Gate 10, identified as USDOT 974352V, located in Longview, Cowlitz County.

On July 19, 2022, Nippon Dynawave submitted a request for reimbursement along with photos of the rehabilitated crossing. UTC staff verified that the project was completed according to the specifications outlined in the order approving the grant.
