RE: *Northwest Natural*, **Docket UG-230739**

Dear Kathy Hunter:

On Sept. 12, 2023, Northwest Natural Gas Company (NW Natural) filed with the Washington Utilities and Transportation Commission (Commission) gas tariff sheets to revise its Tariff WN U-6, which governs NW Natural's provision of natural gas service in Washington.

On Dec. 21, 2023, the Commission entered Order 01, Approving Tariff Sheets Subject to Conditions.

On Dec. 22, 2023, NW Natural submitted a compliance filing as required by the Commission. Commission staff (Staff) has reviewed NW Natural's filing and believes that the tariff revisions contained therein comply fully with the Commission's final order.

Sincerely,

Corey Cook
