**Subject: INTERCONNECTION AGREEMENT BETWEEN VERIZON NORTHWEST INC. and  
XO COMMUNICATIONS SERVICES, INC.  
Docket No. UT-990378**

Dear Ms. Washburn:

Enclosed for filing is a replacement Amendment 6 to an interconnection agreement between Verizon Northwest Inc. and XO Communications Services Inc. The Commission approved the previously filed Amendment 6 on March 27, 2009. The companies have discovered a substantive error in the amendment; the threshold billing amount in Section 7.7.1 is corrected. The parties took the opportunity also to reformat Section 6 and add a defined term (see the current 7.5) for clarification.

The amendment does not discriminate against non-party carriers, is consistent with state and federal law, and is in the public interest. Verizon Northwest requests that the Commission approve this amendment expeditiously.

The Commission's Request for Approval form is also enclosed.

Please call me at 425-261-5006 if you have any questions.

Very truly yours,

Richard E. Potter
