in this proceeding for AG Public Counsel (a party to this proceeding) hereby declare under penalty of perjury under the laws of the State of Washington that the following are true and correct:

- a. I am not now involved, and will not for a period of two years involve myself in, competitive decision making with respect to which the documents or information may be relevant, by or on behalf of any company or business organization that competes, or potentially competes, with the company or business organization from whom they seek disclosure of highly confidential information with respect to the development or purchase of energy resources; and
- b. I am not now involved, and will not for a period of two years involve myself in, the ownership or development of electric energy projects or resources: (i) that have been or could potentially be offered to PSE for its electric portfolio; or (ii) that are competing or could potentially compete with other projects that are or could be offered to PSE for its electric portfolio; and
- c. I am not now involved, and will not for a period of two years involve myself in, providing consulting services or advice to owners or developers of electric energy projects or resources: (i) that have been or could potentially be offered to PSE for its electric portfolio; or (ii) that are competing or could potentially compete with other projects that are or could be offered to PSE for its electric portfolio, to the extent such consultation or advice involves matters for which the "highly confidential" information would be relevant; and
