***** By Next Week's Rule Writing Refresher:**

1. Review Rule to make sure proper discipline is assigned as lead (may need to reassign based on work load).
2. Review each rule to make sure proper disciplines are assigned to each rule.
3. Each discipline team needs to assign a lead to each of their assigned rules.
4. Each discipline team needs to assign a team member to each indicated rule that they are not a team lead on.
5. Make sure proper "Effort" is indicated.
