

WUTC Docket No. UT-033044
Time Warner Telecom Responses to Bench Requests
November 26, 2003

BENCH REQUEST NO. 41:

Please identify whether the information in the Local Exchange Routing Guide (LERG) for Washington state is current and accurate for the switches that you listed in response to Bench Request No. 39. If any of the information is not accurate, please identify the inaccurate information and provide corrected information, including any additions, deletions or changes. As part of your review of the information in the LERG, please state whether the CLLI code is accurate for each switch that you identified in response to Bench Request No. 39. In addition, please state whether the LERG definition of the function of each switch (*i.e.*, tandem, end office, etc.) is accurate.

RESPONSE:

The information in the LERG for each switch is correct including the CLLI code. Additionally, the LERG designation of the function of each switch is accurate.

BENCH REQUEST NO. 48:

Please state whether you are providing, or have plans to provide, through a wholesale, lease, or resale arrangement, capacity on any switches you own or operate in Washington state, or that you own or operate in another state and that you use to provide a qualifying service in Washington state, to another carrier for use in providing qualifying services anywhere in Washington state. For each switch you identify in response to this bench request, please identify:

- (a) The CLLI code for the switch;
- (b) The make, model, age, and current software upgrades of the switch;
- (c) The geographic location of the switch;
- (d) The geographic area served by the switch; including a list of all exchanges served by the switch;
- (e) The features and functions (including software upgrades) available in the switch;
- (f) The capacity of the switch, including:
 - (i) Percentage of switch capacity in use;
 - (ii) Percentage of switch capacity reserved for your own use and future use; and
 - (iii) Percentage of current and future capacity of the switch that will be made available for CLEC use.
- (g) For each switch identified, please state in detail:
 - (iv) The anticipated service life of each switch;
 - (v) Whether you intend to use the switch for the full anticipated service life.
- (h) The rates, terms, and conditions under which you are making the switch capacity available;
- (i) The identity of the other carrier, whether you are affiliated with the other carrier, and if you are affiliated, the nature of the affiliation.

BENCH REQUEST NO. 49:

For each month beginning with January 1, 2003, please identify the monthly churn rate you have experienced in providing qualifying services to end user customers in Washington state. In answering this bench request, you should calculate the churn rate as the number of voice grade equivalent lines lost each month divided by the average number of voice grade equivalent lines in service each month. In calculating the churn rate, do not include customers who move but remain your customer.
