Comes now Columbia Rural Electric Association, Inc. (CREA) by and through its counsel, Michael V. Hubbard, and moves this court for an order allowing it to file by fax and by mail dated July 3, 2001 its response testimony in this matter.

This motion is based upon the files and records herein; and although CREA's petition to intervene in this case has apparently not yet been decided, the filing of this testimony on this date will allow the schedule established in the prehearing conference order to be maintained should that petition be granted.

This motion maybe treated as one for the late filing of testimony.

Dated this 3<sup>rd</sup> day of July, 2001
