Renewable Energy Target**

Dear Mr. Danner:

Enclosed for filing, please find Puget Sound Energy, Inc.'s ("PSE") updated report detailing the company's progress in meeting the renewable energy target for 2012, including:

- PSE's annual load for the prior two years;
- the amount of megawatt-hours needed to meet the annual renewable energy target by the end of 2012; and
- the percent of PSE's total annual retail revenue requirement invested in the incremental cost of eligible renewable resources and the cost of renewable energy credits in 2012.

This updated report is filed pursuant to and in compliance with Order No. 01 in WUTC Docket No. UE-120802 to include certain additional language. A copy of this report was also submitted to the Department of Commerce.

If you have any questions about the information contained in this filing, please contact Eric Englert, Manager, Regulatory Initiatives & Tariffs, at 425-456-2312.

Sincerely,

A handwritten signature in black ink that reads 'E. Englert'.
