3 The administrative rules at issue are WAC § 480-07-340, -355.

4 Boise is Pacific Power & Light's ("PacifiCorp" or the "Company") largest
customer in Washington, purchasing both power and power delivery services at its mill in
Wallula, Washington. Boise was a party to PacifiCorp's most recent completed general rate case
(UE-140762).

5 Boise has a substantial interest in PacifiCorp's proposed changes to its Schedule
37 reflecting new avoided cost rates for qualifying facilities. Changes to the rates the Company
pays its QFs in Washington may also impact the rates Boise pays to PacifiCorp. Boise requests
leave to intervene in this Docket to represent its interests which are directly affected by
PacifiCorp's proposed Schedule 37 changes.

6 Boise's legal counsel has extensive experience in proceedings before the
Commission involving PacifiCorp's rates. Boise directly participated in PacifiCorp's most
recent general rate case and has participated, as a member of the Industrial Customers of
Northwest Utilities, in other PacifiCorp rate proceedings, including UE-032065, UE-050684,
UE-060669, UE-061546, UE-080220, UE-090205, UE-100749, UE 111190, UE-130043, and
UE-140762. Boise's intervention in this proceeding will assist the Commission in resolving the
issues and will not unreasonably broaden the issues, burden the record, or delay this proceeding.

7 As described above, Boise has a direct and substantial interest in this proceeding
that will not be adequately represented by any other party, and may be affected by any
Commission determination made in connection with this proceeding. It is in the public interest
to allow Boise to intervene in this proceeding.

WHEREFORE, Boise respectfully petitions the Commission for leave to intervene in this proceeding.

Dated this 14th day of April, 2015.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
