Re: Docket UT – 170009  
Washington Universal Service Communications Program  
Hood Canal Telephone Co., Inc.

Dear Mr. King:

Pursuant to the requirements of WAC 480-123-130(1)(e), Hood Canal Telephone Co., Inc. SAC 522419, hereby files the summary of the FCC Form 477 which will be filed with the FCC. The summary is the only portion of FCC Form 477 that is available in useable format. This is being filed with the Washington Utilities and Transportation Commission with respect to funds received from the Washington Universal Service Communications Program.

The FCC Form 477 report is filed in .pdf format rather than the native format of .html per directions from commission staff. The filing is dated as of today since the FCC filing system was down and the Form 477 could not be filed until today. This timing issue was discussed with Commission staff in advance.
