COMMISSION

Dear Sir or Madam:

As you are aware, on February 19, 2020, the Washington Utilities and Transportation Commission entered Order 01, Complaint and Order Instituting Special Proceeding in Docket TV-190835, and assessed a penalty in the amount of \$20,000. A settlement was reached among the parties. On June 5, 2020, the Commission entered Order 03 approving the settlement, stating that the penalty amount was to be made in four equal monthly installments until paid in full. To date, no payments have been made.

The Commission sent you a Final Notice dated November 4, 2020, indicating that the balance of \$20,000 was due.

**This is to notify you that the Commission may forward your outstanding debt to a collection agency for collection. In that event, you likely would incur additional expenses and fees, including costs of collection, attorney's fees, and interest, which would be added to your outstanding \$20,000 balance.**

If you have any questions about this letter, or about your obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

/s/ Sally Brown, WSBA No. 17094
