TO ALL PARTIES OF RECORD:

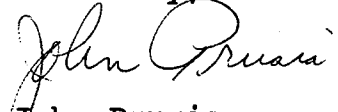

Re: The Disposal Group, Inc. v. Waste Management Disposal
Services of Oregon, d/b/a Oregon Waste Systems, and T & G
Trucking & Freight Co.
Docket No. TG-941154

The Commission has not yet received the set of stipulated facts in this proceeding. Please advise me of the status of the document.

The exhibits offered by the parties are numbered 1 through 19 as shown in the attached List of Exhibits. The exhibits submitted by The Disposal Group are broken into two parts, based on Ms. Horenstein's earlier designation of some exhibits as direct evidence and others as rebuttal documents. The attached list generally uses the parties' descriptions of their proposed exhibits for the sake of convenience. The exhibits are received into evidence.

The Commission will take official notice of the Clark County Solid Waste Management Plan, dated April 1994.

Sincerely,

John Prusia
Hearings Examiner
