

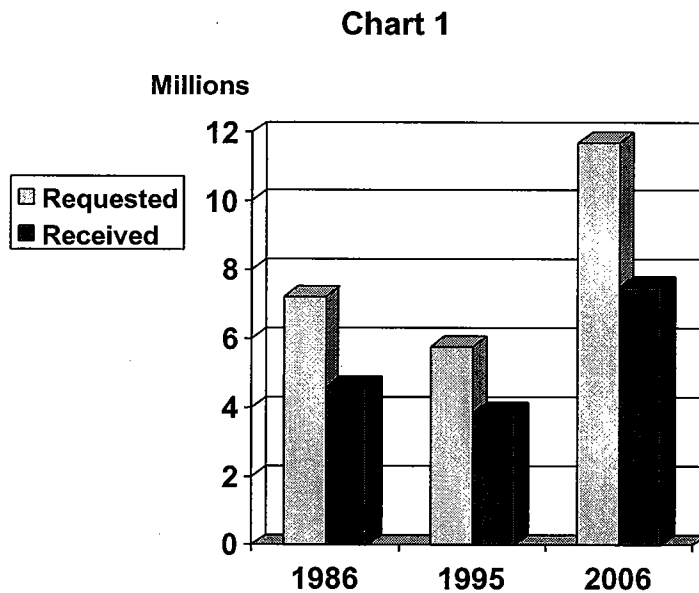

## CHART 1

Cascade's 1986, general rate case request sought \$ 7.22 million.<sup>1</sup> The parties to the proceeding stipulated to and the Commission approved a revenue increase of \$ 4.57 million.<sup>2</sup> Cascade next filed a general rate case in 1995. That request sought \$ 5.75 million in increased revenues.<sup>3</sup> Once again the parties forged a settlement agreement. This time, the Company received an increase of \$3.83 million.<sup>4</sup> In the instant case, the proposed Settlement Agreement gives Cascade a revenue increase of \$7.48 million out of the \$11.7 million it requested. Chart 1 below tracks the 1986, 1995 and 2006 rate cases in terms of what was requested and what was (or might be) received.
